

A brief introduction to the China-Hong Kong Economic and Trading International Association

The Association is a non-profit business network of Hong Kong entrepreneurs and business elites, with over 1,000 Members including 31 listed enterprises* with a total market capitalization over HK\$1.2 trillion. It was incorporated in Hong Kong in 1995 to promote economic, trade, investment and related exchanges between Hong Kong, Macao, Taiwan and the Chinese Mainland and their outreach to overseas countries and markets. It has developed deep and extensive connections with Mainland businesses and related Chinese government institutions both in Hong Kong and on the Mainland.

The Association has 15 specialized sub-groups, each with a sub-group chair, representing various business sectors including Investment, Finance, Creative Industries, Gold and Jewelry, Medical and Healthcare, Education and Training, One Belt, One Road, Cross-Strait Cultural Exchange, Chinese Cuisine, Outstanding Women, Property Development, Manufacturing and Technology, Tourism, Green Foods, and Modern Logistics.

Since inception, the Association has organized 23 promotional delegations visiting overseas countries 50 times, including Europe, the Americas, and Africa. Visits covering various provinces in Mainland China total over 100, resulting in more than 300 signed investment or cooperation projects. The Association has also received over 100 visiting Chinese delegations from Mainland China and other overseas entities as well as organized and conducted over 80 business seminars.

With wide-ranging connections and economic and trade resources, the Association provides regular updates for its Members and helps build an invaluable business network across the globe.

The Association is now-poised to expand business links with Europe and other regions, including investments, M & As, partnerships, marketing and distribution etc, capitalizing on China's Belt and Road Initiative.
