

HOW TO LIVE WITH LIFE

Stay away from Anger.

It hurts only You and nobody else.

If you are right, then there is no need to get angry,
and if you are wrong then you don't have any right to get angry.

Patience with family is love,

Patience with others is respect,

Patience with self is confidence and

Patience with GOD is faith.

Never think hard about the past, it brings tears.

Don't think more about the future, it brings fear.

Live this moment with a Smile, it brings cheer.

Every test in our life makes us bitter or better,

Every problem comes to make us or break us,

The choice is ours whether we become victims or victorious.

Search for a beautiful heart not a beautiful face.

Beautiful things are not always good, but good things are always beautiful.

Do you know why God created gaps between fingers?

So that someone who is special to you comes

and fills those gaps by holding your hand forever.

Never forget this advice!

Happiness keeps You Sweet, Trials keep You Strong,

Success keeps You Glowing,

and But Only God keeps You Going!

When you don't give up, you cannot fail.
